

Bowled over!

Delicious bowls of food, easy to eat with just a fork – served in a biodegradable bowl

Spicy chilli made with real pieces of slow cooked beef

A fragrant **sweet potato and coconut curry** – suitable for vegans [Ⓥ]

Both topped with a choice of mature cheddar, sour cream, avocado and coriander

PLEASE NOTE

Lucy's Kitchen only use free range eggs, and our cheese is locally made in Somerset. Our pork, sausage and beef all come from high welfare reared animals in the South West. All our packaging is biodegradable.
